FACTUAL BACKGROUND

Timeline of Defendant Naqvi's Whereabouts

8. On or about March 5, 2026, security footage from O'Hare International Airport ("O'Hare") shows Defendant Naqvi entering a secondary inspection area at 10:46 a.m. and leaving the secondary inspection area to a public area at 11:42 a.m.

9. On or about March 5, 2026, at approximately 1:17 p.m. Naqvi checked into the Hampton Inn & Suites located at 9480 W. Higgons Road, Rosemont, Illinois 60018.

10. On or about March 8, 2026, at approximately 1:32 p.m. Naqvi checked out of the Hampton Inn & Suites.

11. Upon information and belief, during the late evening of March 6, 2026, and early morning hours of March 7, 2026, Defendant Naqvi arranged for transportation from the Hampton Inn & Suites near O'Hare to Wisconsin.

12. On or around March 7, 2026, at approximately 4:12 a.m. Defendant Naqvi was seen leaving the lobby of the Hampton Inn & Suites and getting into a vehicle.

13. On or around March 7, 2026, at approximately 5:38 a.m., Defendant Naqvi was seen at a gas station in Slinger, Wisconsin.

14. Upon information and belief, Naqvi was dropped off near Holiday Inn Hotel in Beaver Dam, Wisconsin by the vehicle that picked her up from the Hampton Inn & Suites and is seen on video walking through the parking lot and into the hotel at approximately 6:35 a.m. on March 7, 2026.

15. Based on Naqvi's phone records, between March 5, 2026, and March 8, 2026, including the timeframe she claims to have been detained at the Dodge County Jail, there are continuous outgoing and incoming telephone calls and text messages to and from Naqvi's phone.

16. Dodge County Jail is a detention facility for Immigration and Customs Enforcement.

17. Naqvi was never booked or detained at the Dodge County Jail.

18. Dodge County Jail logs show no female inmates or detainees from the federal government were admitted or released during the timeframe in which these events were alleged to have occurred.

Defendant Naqvi's Allegations

19. On or about March 5, 2026, Defendant Naqvi alleges she arrived at O'Hare International Airport ("O'Hare") on a flight from Istanbul, Turkey.

20. Despite the real facts described above, Naqvi publicly claimed that upon her arrival at O'Hare on March 5, 2026, she was taken into custody and detained at O'Hare International Airport for approximately 30 hours.

21. Despite the real facts described above, Naqvi publicly claimed that after being detained for 30 hours at O'Hare she was transported from O'Hare to an Immigration and Customs Enforcement (ICE) facility in Broadview, Illinois.

22. Despite the real facts described above, Naqvi publicly claimed that she was transported across state lines to Wisconsin where she claimed to have been held at the Dodge County Jail.

23. Naqvi claims Dodge County Sheriff's Office subsequently released her from the facility on March 7, 2026.

Communications With and Statements Made by Defendant Morrison

24. Based on Naqvi's phone records, on or about March 6, 2026, at approximately 12:55 p.m., Cook County Commissioner Kevin Morrison, then a candidate for the United States Congress, called Naqvi and the call was answered.

25. On or about March 6, 2026, at approximately 11:32 p.m., Morrison stated in a video, which was filmed outside the Broadview ICE Facility, that he was in communication with Naqvi until 3:52 p.m. when her phone pinged from the ICE detention center in Broadview.

26. On or about March 6, 2026, after 3:52 p.m., Defendant Morrison made three separate phone calls to Naqvi, which based on Naqvi phone records, were shown to be picked up.

27. Despite Defendant Morrison indicating that he lost contact with Naqvi subsequent to 3:52 p.m. on March 6, 2026, based on Naqvi's phone records, Defendant Morrison also called Naqvi at 2:14 a.m. on March 7, 2026, and the record establishes that the call was picked up.

28. On or about March 8, 2026, Defendant Morrison stated during a press conference that Naqvi and five other individuals were transported from Illinois to Wisconsin by immigration agents; however, the Defendant Morrison actually had repeated calls with Naqvi during the time period that he asserted she was in custody.

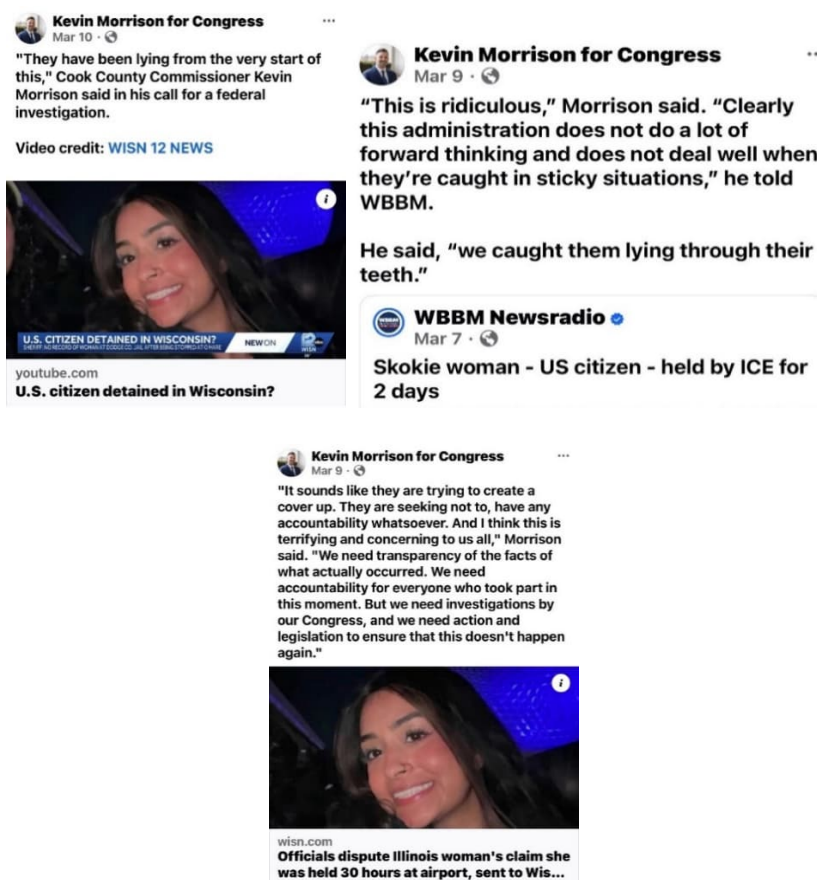

29. During his press conference, Commissioner Morrison made allegations of an illegal detention of a U.S. citizen by government officials, including Sheriff Schmidt.

30. Commissioner Morrison made allegations of a "cover up" by the Dodge County Sheriff's Office that is the responsibility of Sheriff Schmidt.

31. For example, on March 9, 2026, upon information and belief at the direction of Naqvi, Commissioner Morrison made the following statements to WISN 12 News directed at Sheriff Schmidt: “[t]hey have been lying from the very start of this. I don’t think they want to own up to the fact that, once again, they have illegally detained American citizen without due process.”

32. On March 9, 2026, Commissioner Morrison further publicly reported that after Naqvi was allegedly released from the Dodge County Jail, Naqvi “walked to a nearby gas station and hitchhiked to a Holiday Inn, several miles away from the detention facility for refuge before her sister was able to get to her.”

33. Many of the statements made by Commissioner Morrison were also disseminated through Commissioner Morrison’s social media channels, which were widely shared:

34. Upon information and belief, the categorically false allegations made by Commissioner Morrison were based on malice and designed to generate outrage and media attention in order to harm the reputation of Sheriff Dale Schmidt.

35. Commissioner Morrison attributed the accusation to Naqvi or otherwise repeated the substance of Naqvi's false allegations.

36. On or about February 20, 2026, the Chicago Sun-Times, published a questionnaire in which Defendant Morrison stated that immigration enforcement operations represented "one of the most staggering violations of core constitutional principles" he had witnessed and advocated for significant restrictions on ICE enforcement activities.

37. Upon information and belief, Defendant Morrison held these views before, during and after the events alleged in this complaint, and such views provided a malicious motive to accept, promote, and republish allegations of unlawful conduct by ICE and the Dodge County Sheriff's Office without adequately investigating whether those allegations were true.

38. Upon information and belief, Defendant Morrison's preexisting hostility toward ICE detention operations and his political opposition to such operations contributed to his reckless disregard for the truth or falsity of the allegations he publicly disseminated concerning Sheriff Schmidt and the Dodge County Sheriff's Office.

Communications With and Statements Made By Defendant Afzal

39. Upon information and belief, Naqvi communicated the above accusations to Defendant Afzal on multiple occasions between March 5, 2026 and March 8, 2026.

40. Upon information and belief, Naqvi made telephone calls and electronic communications to Afzal concerning her alleged detention between March 5, 2026 and March 8, 2026.

41. Based on Naqvi's phone records, on March 5, 2026, at 2:47 p.m., Naqvi and Afzal had a telephone call lasting nearly five minutes.

42. Based on Naqvi's phone records, on March 6, 2026, between approximately 12:44 p.m. and 4:02 p.m., there were 69 text messages between Naqvi and Afzal.

43. Based on Naqvi's phone records, on March 6, 2026, at 9:00 p.m., calls were made to Naqvi from Afzal, and to Afzal from Naqvi.

44. Based on Naqvi's phone records, on March 7, 2026, between 3:09 a.m., and 6:35 a.m., there are 6 text messages and 3 phone calls between Naqvi and Afzal.

45. Upon information and belief, Naqvi intended that Afzal further disseminate the accusations.

46. Upon information and belief, Afzal repeated and republished Naqvi's accusations to the public at large, including Cook County Commissioner Kevin Morrison.

47. On or about March 8, 2026, Afzal spoke at a press conference and stated that Naqvi was detained by U.S. Customs and Border Patrol at O'Hare airport on March 5, 2026 for nearly 30 hours.

48. Defendant Afzal attributed the accusation to Naqvi or otherwise repeated the substance of Naqvi's false allegations.

The Defamatory Statements

49. Defendants' statements were understood by listeners, viewers, and readers to refer directly to Sheriff Schmidt because he was the elected Sheriff of Dodge County and the ultimate official responsible for the operation of the Dodge County Jail.

50. As a result of Defendants' actions, the false allegations made quickly became the subject of widespread news coverage.

51. News reports detailing the allegations were published and disseminated throughout Wisconsin and Illinois media outlets, as well as nationally distributed news media.

56. In addition to the widespread news coverage, Naqvi's, Afzal's and Commissioner Morrison's allegations have similarly been published and disseminated through various social media platforms such as Instagram, Facebook and X.
